

We're Rolling Out The Green Carpet!

Take a personal tour with Jeff McManus, whose expertise in landscaping has gained The University of Mississippi accolades of being named "**The Most Beautiful Campus**" by a number of national publications as well in Newsweek 2011 and just recently in USA Today's Readers Choice competition.

During this 2 ½ day camp each participant will receive two books written by Jeff McManus at the Opening Dinner/Book Signing. Among activities one will be able to immerse themselves on a tour of the beautiful Ole Miss Campus, learn how to attract butterflies and birds in your garden, attend educational seminars on how to prune your shrubs including choosing the right time, as well as how to keep your lawn looking like a green carpet, learning what flowers to grow so you can snip to your hearts content bringing the outside in, plus receive time saving tips for a low maintenance yard and network in a relaxed and inviting atmosphere.

To top it off three tours will also take place on route the famous Double Decker Bus to the beautifully landscaped homes of Dickie & Diane Scruggs and Sam and Mary Haskell which are both maintained by McManus, as well as a tour of the City Oxford.
